**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have fiber service that just got installed and had DSL for years from a local provider (LMI). The service we receive both in speed with and in quality of customer service as well as price is demonstrably superior to the service we used to receive when we lived in a market with only one provider. Please dont take any action that could limit the successful competitive marketplace for internet service.
